WATER & SEWER BILLING

Water and Sewer bill payments are due on the 15th of every month or the following business day if the 15th falls on a weekend or holiday.

ZONING REQUIREMENTS

There is a zoning ordinance within the Village of Fredericktown. Some common items that need building permit applications filed are: new construction, additions, accessory buildings, fences, and swimming pools. Pools require a new permit each year, if the pool is disassembled during off-season. The fee is \$5.00 per thousand of the estimated value (flat fee of \$5.00).

DEDUCT METERS

Deduct meters are available for residents in the spring for a fee of \$75.00 for a temporary meter, or \$275.00 for a permanent meter. A deduct meter will give you a credit towards the sewer portion of your bill. It is used best when using 5,000 gallons or more of water, such as filling a swimming pool.

MUNICIPAL INCOME TAX

Municipal Income tax returns are required to be filed each year through the Regional Income Tax Agency (RITA), unless you are disabled or retired.
